

### APPLICATIONS

Easily move one or two standard steel 205 litre drums. Drum clamps slip onto the forks with ease and ensure that drums are handled ergonomically and hassle-free from the drivers seat, improving stability during braking and cornering.

### FEATURES & BENEFITS

- Pocket size to suit most fork section sizes.
- Retaining chains and shackles included.
- Adjustable pivot arm to suit various drum sizes and secure clamping.
- Supplied with rating plate and user manual
